Opportunity

MINERALS NORTH.CA

# Community Sponsorship at a Glance

Community partners support the delivery of Minerals North 2027 in exchange for recognition — keeping coordination and delivery local while putting your brand in front of every delegate.

| LEVEL                                                                                                                         | INVESTMENT POSITIONS |                                                      | WHAT IT ANCHORS                                         |
|-------------------------------------------------------------------------------------------------------------------------------|----------------------|------------------------------------------------------|---------------------------------------------------------|
